

EDALE APRISH COUNCIL NOTICE

It seems that the Minute Ledgers for Edale Parish Council from July 1969 to October 1990 currently cannot be located.

They would be in one or more hard back ledgers.

If anyone knows where these Minutes might be found, the Council would be most grateful if you could contact the Clerk, Nick Faulks on 01433 620726 or by email (edaleparishcouncil@gmail.com), or contact one of the Councillors, Tony Favell, Cedric Gilbert, Julie Morten, Rosie Rumble or Don Tennant.

These minutes are important historical documents for the Village so it is essential that they are located. Please help if you can. Thank you.

The Minutes Ledgers from the inception of Edale Parish Council, December 1894, to June 1969 are held by Derbyshire Records office in Matlock and are available for viewing (by appointment). A scanned copy of these are also held electronically by Edale Society and also a copy is held by the Clerk.

The Minutes from November 1990 to the current date are held by the Clerk and are available for viewing by appointment by contacting Nick Faulks.

Issued by the Clerk on behalf of Edale Parish Council 15th November 2017
